### PROFESSIONAL EXPERIENCE

---

- 04/2022 - 07/2022** **Freelance**  
Personal Projects  
New Orleans, LA
- Fabricator  
Utilized digital fabrication techniques and expertise in installation design to produce unique and innovative projects that push the boundaries of design. Utilized resources at Millhouse at Tulane University's architecture school.
- 11/2021 - 04/2022** **ROCKWELL GROUP**  
Studio Z  
New York, NY
- Project Architect  
Worked on three major projects all of which were in hospitality: 'Park Hyatt' in Riyadh, Saudi Arabia; 'The Retreat' in Shurayrah Island, Saudi Arabia; and a competition 'Thailand Resort' in Pattaya, Thailand. My duties on these projects were designing, 3D modeling, and for 'Park Hyatt' documenting.
- 12/2018 - 08/2020** **CORGAN**  
Aviation  
New York, NY
- Project Designer  
Worked on John F. Kennedy Airport Terminal 6 on Schematic Design and an airport competition in Guangzhou, China. My duties involved planning, designing, 3d modeling, physical modeling, and working with consultants. My roles were also producing solar and daylight analysis for the Terminals.
- 08/2016 - 04/2020** **SHOT Studio**  
Conceptual
- Founder & Lead  
Led a team focused on creating innovative architectural projects utilizing emerging technologies to address contemporary issues. Designed and managed multiple projects, including "Holographic Reality," featured in architectural publications such as designboom, architect magazine, and idealista.
- 10/2015 - 12/2018** **Kimmerle Group**  
Kimmerle Newman Architects  
Morristown, NJ / New York, NY
- Architectural Designer  
Worked on corporate exterior and interior projects; types of work included designing, construction documents, graphic illustrations; 3d modeling, marketing plans and test fits; involved with master planning for residential, commercial, and public use developments.

### PROFESSIONAL EXPERIENCE

---

05/2016 - 08/2016

#### ARCHI[TE]NSIONS

Brooklyn, NY

Consultant

Hired to work on an architectural competition; my objective was design development, animations, renderings, 2d drawings, and presentations; project 'Rising Ryde' was shortlisted (top 4); 'Rising Ryde' is a civic center located in Ryde, Australia.

06/2014 - 08/2014

#### Passacantando Architects

Morristown, NJ

Architectural Intern

Primarily worked on residential architecture; worked on BIM modeling, renderings, web design, and branding; primary use of software was ArchiCAD to develop 3d models and construction documents; translated existing house conditions to BIM, prior to design.
